Are YOU prepared?

**An important invitation
from the Houston Gulf Coast
Irrigation Association**

TO HG CIA MEMBERS...

On June 4, 2008 -- at the direction of the 80th Texas Legislature -- the Texas Commission on Environmental Quality (TCEQ), adopted new rules regulating landscape irrigation that go into effect January 1, 2009. It is critical that you know and UNDERSTAND these rules and how they affect your business.

We have scheduled a no-frills, get-down-to-basics, working session to provide a detailed explanation of these new rules. Join us on Tuesday, August 12, 2008 at 6:00 pm, at BOYER, INC., 8900 Fairbanks North Houston, Houston, TX 77064. Light snacks will be provided. Look for the HG CIA signs...

Kindly RSVP by Friday, August 8th to Sheri (832-797-9270 or GCS.services@sbcglobal.net) or to Jay (713-201-2283 or jhartley@pamperedlawns.com).
